Re: Proposition 39 Request for Facilities Alternative Agreement

Dear Ms. Christiansen:

The Los Angeles Unified School District ("District") wishes to express its gratitude for the collaborative approach Media Arts & Entertainment Academy High School ("Media Arts") has engaged in aimed towards finding a workable solution to its facilities needs. Because of Media Arts' efforts in partnering with the District, the District welcomes this opportunity to confirm the alternative agreement, pursuant to 5 CCR section 11969.1(b), reached between Media Arts' and the District in response to Media Arts' November 1, 2010 Proposition 39 Facilities Request. This agreement supersedes the previous January 18, 2011 arrangement for Media Arts to occupy 4th St elementary school.

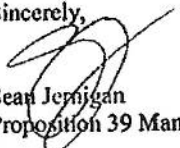

Specifically, Media Arts has agreed to accept the District's offer of the exclusive use of five (5) standard sized classrooms and one (1) administrative office space at Rowan Street Elementary School based upon the specifics and per the requirements outlined in the District's standard co-location agreement the District will provide to you shortly.

As a result of this alternative agreement, it will not be necessary for the District to provide Media Arts with a formal facilities offer pursuant to 5 CCR section 11969.9(f) or (h).

Please confirm Media Arts' acknowledgement of this alternative agreement by signing in the space below and returning this document to me.

We look forward to finding such mutually workable solutions to Media Arts' facilities needs in the future.

Sincerely,

Sean Jennigan
Proposition 39 Manager

Cc: Parker Hudnut
Jose Cole-Gutierrez

By signing below, I represent that I have the authority to enter into this alternative agreement for Proposition 39 facilities and confirm Media Arts & Entertainment Academy High School's acceptance.

Linda Christiansen
